

# CAMARILLO ESCROW COMPANY

Howers Laser Cartridge Recharge

We have been working with Ken Hower since 1996 and we are very pleased with his product and service. Ken is always there when we call him and he takes care of us quickly. Ken also cleans our equipment. If our problem is outside his expertise, he will recommend what we need to do. We can count on Ken for great service. We highly recommend him.

Sincerely,

Lynn Mays, president
