RE: Business relationship with **Howser's Laser Cartridge Recharge**

Howser's Laser Cartridge Recharge (HLCR) has been a supplier of laser printer toner cartridges and laser printer repair for our company, Carey & Hanna, CPA's.

HLCR has provided these services for us for more than 18 years and has never let us down. Ken is very quick to respond to all our needs for repair normally providing the printer repair within just a few hours of our call and at very reasonable / competitive rates. Toner cartridges are usually delivered within 24 hours of the order being placed and are of the highest quality. His service has been impeccable.

We have been very happy with Hower's Laser Cartridge Recharge's services and would like to recommend them to you as well. Please contact me personally if you have any further questions.

Sincerely,
Carey and Hanna CPA's
