To Whom It May Concern:

We are pleased to provide a letter of recommendation on behalf of Ken Hower – owner/operator of Howers Laser Cartridge Recharge.

Ken has been providing our CPA firms with toner cartridges and printer services for over 15 years. During those years Ken has checked in with us on a regular basis to see if we have any toner needs. On a number of occasions we have called him to come into the office and service a printer and he has responded within a few hours of our call. On each of those service responses, Ken has fixed the printer and we have been able to continue with our work. His conscientious approach to our office/printing needs is invaluable.

We would not hesitate to recommend Ken Hower to any of our colleagues.

Sincerely,

Cindy Burrier
